

PETER STONE BROWN

September 1, 2023

Hi Jim,

Here is the article. This hasn't been published yet but will be in Gadfly Magazine, so please don't send the article out to anyone.

But if you still have stuff to write for this show, I think this will aid you considerably.

Thanks for the CD. You know I appreciate it.

Let me know when to get in touch about tickets, how many etc., and a pass for me.

Thanks!
